at RENT XXXIII on November 27, 2019 at 13:30–18:00

at ESCP Europe, Berlin Campus, Heubnerweg 8-10, D-14059 Berlin, Germany

Professional Development Workshops (PDWs) were included in the programme of the RENT pre-conference day for the first time at RENT XXIX in Zagreb 2015. The concept proved to be successful and PDWs are now part of the pre-conference day. PDWs are workshops to share knowledge and expertise and foster practical, professional and intellectual skills of participants.

RENT XXXIII pre-conference day on 27 November 2019 will host three PDWs. Visit [the ECSB website](#) for detailed workshop descriptions. Participation in PDWs is free, but participants need to be ECSB members or to be registered for the RENT conference in order to join. PDWs have a maximum of 30 participants each.

In addition to the PDWs, RENT participants have an opportunity to participate in Berlin InnoBridge Demoday which gives insights into a transdisciplinary teaching format by ESCP Europe and FU Berlin.

**Register by 20 November!**
